

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 1, 1996

SUBJECT: **SB 2122 - HB 2107**

This bill, if enacted, will require all purchases made from street aid funds by a municipality be done in conformity with public advertisement and competitive bidding laws. Current law allows certain exceptions to the bidding process.

The fiscal impact from enactment of this bill is estimated to be a decrease in local government expenditures to the extent that the bid process generates lower costs. Such decrease cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
